6 August 1956

MEMORANDUM FOR: Captain Bruce S. Weber
Office of the Chief of Naval Operations
Department of the Navy

SUBJECT: Information on UF-2, Request for

REFERENCE: Op-922H1, Ser NT-0008-56 of July 19, 1956

Mr. Bissell is eager that the Navy be informed of certain developments on Project AQUATONE which may be useful to the Navy. Commander Leonard should be in touch with [redacted] on extension [redacted] 1717 H Street, N. W., who will be the principal point of contact and who will arrange for conversations between Commander Leonard and others as necessary.

From: Director of Naval Intelligence
To: Director of Central Intelligence (Attn Mr. J. Q. Reber)

Subj: Information on UF-2, Request for

1. When Admiral Burke was briefed on Project Aquatone he requested that an officer in OP-05 (Deputy Chief of Naval Operations for Air) be cleared in order that investigation into the feasibility of using the UF-2 as a carrier-based plane could be studied.
2. CDR W. H. Leonard, USN, OP-55 (Air Warfare), has been TALNET cleared to receive such information as you may wish to make available for this study.
3. CAPT Weber or CDR Hatch of the Office of Naval Intelligence (OP-022Y) will be the initial point of contact when decision has been reached in this matter.

B. S. WEBER
CAPT, USN
By direction
